Economics - The University of Manchester - Manchester Liberalism, Manchester School, Manchester Capitalism and

Manchesterism are terms for the political, economic and social movements of the 19th century that originated in Manchester, England. Led by Richard Cobden and John Bright, it won a wide hearing for its argument that free trade would lead to a more equitable society, making essential products available to all. Its most famous activity was the Anti-Corn Law League that called for repeal of the Corn Laws that kept food prices high. Manchester Liberalism - Wikipedia -
