Following his early success publishing short stories and The Catcher in the Rye, Salinger led a very private life for more than a half-century. He published his final original work in 1965 and gave his last interview in 1980. J. D. Salinger - Wikipedia - The Catcher In The Rye was first published in 1951 by J.D. Salinger. The central theme in the book is alienation. The story opens with 17-year-old Holden Caulfield, narrating the story of three days in his life (Most believe he is in a psychiatric institution, but that is not the case; he is in tuberculosis rest home ).
